

Preventing and Addressing Internet-related Juror Misconduct

ACTION PLAN

Based upon the presentations you heard during the course, or upon the discussions, please identify steps you will take in the near future to improve the way you prevent and address internet-related juror misconduct.

TECHNOLOGY:

How will you keep up to date with changing technology so you are aware of the ever-changing ways that jurors are using the internet, or social media, or applications, and their potential for misuse in a jury setting.
