2:30 pm – 3:30 pm	Time Qualifying/Pre-Screening Jurors
	Eileen Stutson, Jury Services Manager San Bernardino County Superior Court
	San Bernardino County Superior Court will facilitate a discussion on time qualifying jurors. The discussion will include why the decision was made to time qualify as well as post-implementation experiences. This will be an interactive session.
3:30 pm – 4:30 pm	Jury Box Application Demo
	Darrell Mahood, Director of Jury Services Los Angeles County Superior Court
	Jury Box is an in-house developed application that automates the jury selection process in the courtroom. Highly customizable, the application provides a visual seating chart for the judicial officer, who can take notes, track movement and monitor peremptory challenges by party. The courtroom clerk or judicial assistant, controls the seating and movement of jurors using an electronic case information sheet.

**Friday, March 15 – Central Justice Center (THIRD Floor Jury Assembly Room)
700 Civic Center Drive West, Santa Ana CA 92610**

- 8:00 am – 8:30 am **Check-out and Travel to Courthouse**

(Coffee & Pastries Provided at Courthouse)
- 8:30 am – 8:45 am **Day Two - Opening Remarks**

Clarence Harlow, JEM President
- 8:45 am - 9:45 am **Jury Services Data Dashboard – Orange County Demo**

Pete Hernandez, Jury Manager
Orange County Superior Court

Orange County Superior Court established priority in the development of a dynamic and data rich analytics environment – beyond the existing Crystal reporting capability within the jury management system. Implementing the Jury Services Data Dashboard has allowed jury management to monitor critical juror data and better understand juror trends. The ability to view juror data at a glance has revealed areas that can benefit from immediate change that would benefit the public without impact to court operations.
- 9:45 am – 10:30 am **Juror Debriefing Programs**

Nicole Garcia, LMFT
Behavioral Health Services Disaster Response
Orange County Health Care Agency

Presentation regarding jurors serving on criminal trials that are often exposed to graphic evidence and testimony and subjected to high levels of emotion. The Juror Debriefing program is to provide brief Critical Incident Stress Management (CISM) services to jurors mitigate the long-term effects of such stress and to help begin the healing process.
- 10:30 am – 10:45 am **Networking Break**
- 10:45 am – 11:45 am **What Jury Managers Need to Know About Civil Grand Juries**

Karen Jahr, Shasta County Counsel (ret.)
California Grand Jurors' Association

This presentation will focus on the jury manager's role in the recruitment and selection of jurors for the civil grand jury. Topics will include juror qualifications, juror selection procedures, effective recruitment techniques, and acting as the liaison between the jury and the presiding or supervising judge.
- 11:45 am – 12:00 pm **Close of Conference**

Clarence Harlow, JEM President
